

February 15, 2017

Dear Parents,

Lincoln Theatre Department's 21st year has been record breaking! Our production of Shrek had the biggest ticket sales in our history. Our competition show, The Importance of Being Earnest has taken first place at Districts and Regionals and is going to States. We are happy that your child will be joining us for the epic conclusion to the year, the sweeping saga of A Tale of Two Cities. Their participation automatically makes you a member of our Parent Booster group. For those of you who are new to the department, this is the first of many communications you'll receive from the Boosters.

Because the department does not receive funds from the district, there is a fee of \$70 for participation. There is also the expectation that your student will sell at least \$20 in ads (see ad letter). The fee includes costs for:

- a show t-shirt, which will be uniform for students for flier days and anytime off campus
- 5 meals during show weekend and the cast party
- various show expenses

There may be other expenses for your student, depending on their role. Some may need to provided a refundable script deposit, and others may need to purchase their own "consumable" products such as shoes, tights, or leotards that can not be returned to use by the department at large.

Fees are due by Friday, March 24th. All fees should be placed in the Booster drop-box in the prop room with the form below. There will be a parent information meeting on Tuesday, March 7th at 7:00pm in the PAC for everyone to learn more about the production. There is an Application for Fee Reduction, which will provide limited waivers and payment plans if needed. Those must be submitted by the fee due date (3/24) and will be handled confidentially by a limited number of Boosters. Non-payment with no communication to the Boosters will result in being dropped from this show.

Thank you once again for your support and cooperation as we begin another journey to produce a fantastic show.

Sincerely,
Your Lincoln Theatre Boosters
